

Resource Spotlight

A resource brief to support virtual professional learning for division partner staff and families

Using High-Leverage Practices (HLPs) to Support Transition

This Resource Spotlight features resources, virtual learning opportunities, and family supports that apply **High-Leverage Practices (HLPs)** to transition programming, planning and service delivery.

RESOURCES:

- ❖ **HLP 2 Highlight Tool: Effective Meetings with Professionals and Families**
VDOE TTAC at George Mason University HLP highlight tool offering a brief description, videos, resources, and activities to support effective meetings with families and professionals
- ❖ **HLP 2: Effective Meetings with Professional and Families Administrators Guide**
High-Leverage Practices for Students with Disabilities resource for school leaders to build capacity of school personnel to organize and facilitate effective and coherent meetings
- ❖ **HLP 4: Transition Assessment Resources Compilation**
TTAC Online compilation of resources and guidance for choosing, conducting and interpreting results from transition assessments
- ❖ **HLP 4: Transition Planning**
National Technical Assistance Center on Transition: the Collaborative (NTACT:C) transition services resources, including a downloadable [assessment toolkit](#) with free account
- ❖ **HLP 12 Highlight Tool: Systematically Designed Instruction**
VDOE TTAC at George Mason University HLP highlight tool providing information, resources, and activities for providing explicit, deliberate, and purposeful instruction

VIRTUAL PROFESSIONAL LEARNING OPPORTUNITIES:

- ❖ **HLP 1: Facilitating Transitions for High School Students with Disabilities**
IRIS Center module to support counselors and other educational personnel assisting students with disabilities in the transition from high school to post-school settings
- ❖ **HLP 3: Secondary Transition Interagency Collaboration**
IRIS Center module describing the importance of interagency collaboration to improve outcomes for students with disabilities who are transitioning from high school
- ❖ **HLP 19: Assistive Technology Transition Summit 2, February 28, 3:30 – 5:30 pm**
VDOE TTAC at Virginia Tech and Virginia Assistive Technology Network hybrid panel discussion about leveraging assistive technology in the transition to post-secondary settings

FAMILY SUPPORTS:

- ❖ **HLP 3: Tips to Maximize the Family Role in Transition**
PACER's National Parent Center on Transition and Employment tips for families to make the most of their role as partners during secondary transition planning
- ❖ **HLP 3: Creating a Vision of a Good Life Tool**
Utah Parent Center resource to create a vision of a good life for students with disabilities through person-centered planning family activities
- ❖ **HLP 6: Transition IEP Planning Checklist**
Parent Educational Advocacy Training Center (PEATC) checklist to support families in the development of a transition IEP
