

# Resource Spotlight

*A resource brief to support virtual professional learning for division partner staff and families*

## Specially Designed Instruction (SDI) and Inclusive Practices

This Resource Spotlight features relevant specially designed instruction (SDI) and inclusive practice resources, virtual learning opportunities and family supports.

### RESOURCES:

- ❖ [K-12 Inclusive Practices Guide](#)  
Virginia Department of Education (VDOE) K-12 inclusive practices guide and resources for improving outcomes for students with disabilities in general education settings
- ❖ [Inclusive Practices for K-12 Students](#)  
VDOE Excellence in Co-Teaching Initiative video examples of academic, social and physical inclusive best practices in all aspects of the K-12 school community
- ❖ [Quality Indicators for Delivering Specially Designed Instruction](#)  
Stetson & Associates, Inc. tool for educators to determine what supports are in place and what are needed for students with disabilities in inclusive settings
- ❖ [Overview of Specially Designed Instruction \(SDI\)](#)  
Anne M. Beninghof SDI overview and resources for adapting content, methodology and delivery of instruction to meet the unique learning needs of students with IEPs
- ❖ [Quality Inclusive Practices: Resources and Landing Pads](#)  
National Professional Development Center on Inclusion (NPDCI) descriptions and supporting references for evidence-based practices that support early childhood inclusion

### VIRTUAL PROFESSIONAL LEARNING OPPORTUNITIES:

- ❖ [Inclusive Practices in Successful Schools; Building an Inclusive School Community](#)  
VDOE recorded webinars from Stetson & Associates, Inc., and Dr. Wendy Murawksi on instructional practices to meet the needs of students with disabilities in Virginia schools
- ❖ [Three-Part Turn-Around Training Series on Specially Designed Instruction](#)  
VDOE sponsored 3-part training by Anne M. Beninghof on adapting content, methodology and/or delivery of instruction to meet the unique learning needs of students with IEPs
- ❖ [Leveraging Data-Based Individualization \(DBI\) to Design and Deliver SDI](#)  
PROGRESS Center and National Center on Intensive Intervention (NCII) webinar on how to use DBI to develop and implement SDI for students with disabilities
- ❖ [Students with Significant Cognitive Disabilities Inclusive Classroom Supports](#)  
IRIS and TIES Center module describing the benefits of including students with significant cognitive disabilities in general education classrooms

### FAMILY SUPPORTS:

- ❖ [Virginia Family Special Education Connection](#)  
VDOE resources to support families and caregivers of children with IEPs
- ❖ [School Inclusion](#)  
Center for Parent Information and Resources (CPIR) school inclusion resources
- ❖ [Inclusion Means Everyone!](#)  
Virginia Cross-Sector Professional Development Team (VCPD) infographic for families describing the importance and value of inclusion in early childhood education
