

Resource Spotlight

A resource brief to support virtual professional learning for division partner staff and families

Multi-Tiered Systems of Supports (MTSS)

This Resource Spotlight features virtual professional learning opportunities, and educator and family resources for building capacity in the Multi-Tiered Systems of Support (MTSS) framework.

RESOURCES:

- ❖ [Virginia Tiered Systems of Supports \(VTSS\)](#)
VDOE Virginia Tiered Systems of Supports (VTSS) resources and professional learning opportunities
- ❖ [MTSS Essential Components Infographic Collection](#)
AIR infographic collection of key features of the essential components of MTSS
- ❖ [MTSS Guidance for District Leadership Teams](#) and [The What and How of MTSS in Schools](#)
AIR step-by-step MTSS framework implementation guidance for division and school teams
- ❖ [Enhancing Team Functioning in Schools Multi-Tiered Systems of Support](#)
National Center on PBIS practice guide for effective multidisciplinary MTSS school teams
- ❖ [MTSS Infrastructure and Support Tip Sheets and Implementation Rubric](#)
AIR overview of necessary organizational structures and associated tip sheets for implementing MTSS components in an effective unified system
- ❖ [MTSS Implementation Fidelity Rubric](#)
AIR MTSS implementation fidelity rubric, refined from NCII Response to Intervention (RTI) rubric, to support schools in self-appraisal evaluation
- ❖ [National Center on Intensive Intervention](#)
National Center on Intensive Intervention (NCII) intensive intervention implementation resources, including [Progress Monitoring Tools for Data Collection and Graphing](#)

VIRTUAL PROFESSIONAL LEARNING OPPORTUNITIES

- ❖ [Multi-Tiered System of Supports-MTSS 101](#)
VDOE Virtual Virginia self-paced course on MTSS implementation in Virginia
- ❖ [Specially Designed Instruction: Assessment and Implementation](#)
GMU TTAC Virtual Virginia self-paced professional learning session on how to plan for and teach specially designed instruction (SDI) throughout all tiers of MTSS
- ❖ [Data-Based Individualization](#)
NCII, PROGRESS Center and IRIS Center recorded webinars and modules on individualizing and intensifying interventions through systematic use of data and validated interventions and strategies

FAMILY SUPPORTS:

- ❖ [Intensive Intervention: An Overview for Parents and Families](#)
NCII infographics for families to learn more about intensive intervention and how they can engage in the process
- ❖ [MTSS for Students with the Most Significant Cognitive Disabilities](#)
National Center on Educational Outcomes (NCEO) and Ties Center MTSS fact sheet and FAQ resource tips sheet for families
